

The Ultimate Application & Data Recovery Solution

EXPRESSCLUSTER®

The Ultimate Application And Data Recovery Solution

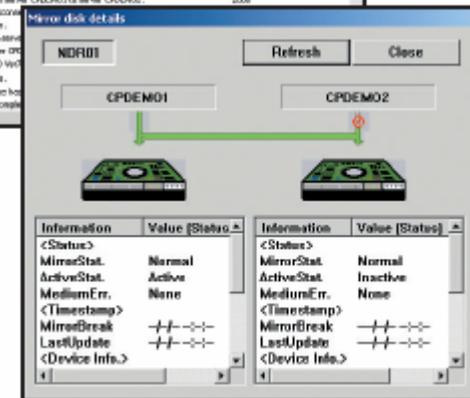

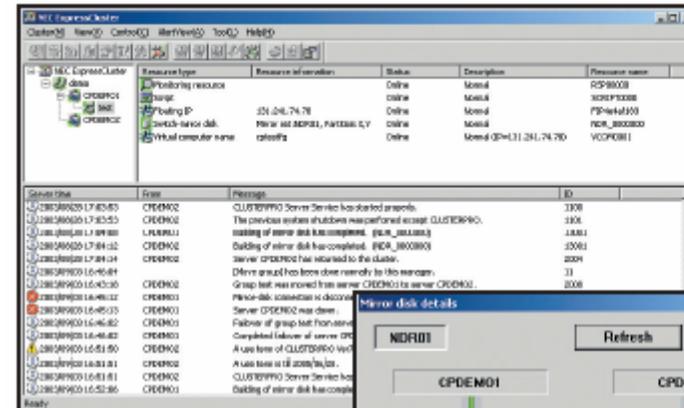

Empowered by Innovation

NEC

ExpressCluster

Integrated Application And Data Availability Solution

- + **Near-Instant Recovery of Business Critical Applications and Data without Loss over LAN and WAN**
- + **Over 8,000 Licenses Worldwide**
- + **Volume Platform Support**
 - 32-bit (IA32) & 64-bit (Itanium)
 - Windows, Linux & VMware
- + **Award Winning Technology**
*“Best of CeBIT America 2004” Award
 Disaster Recovery Fault Tolerant Solution*

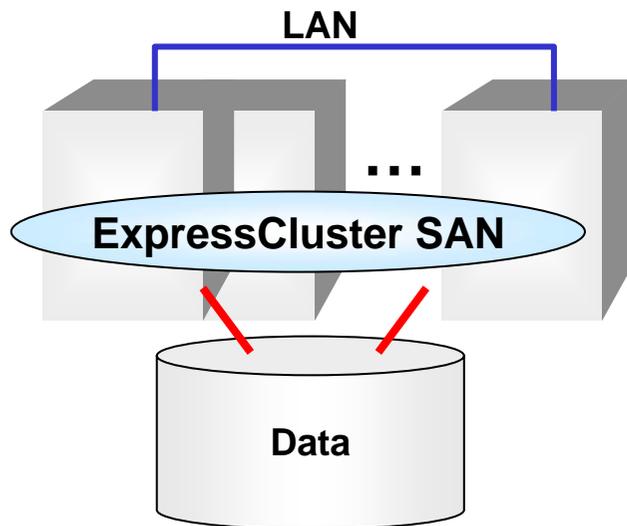

Empowered by Innovation

NEC

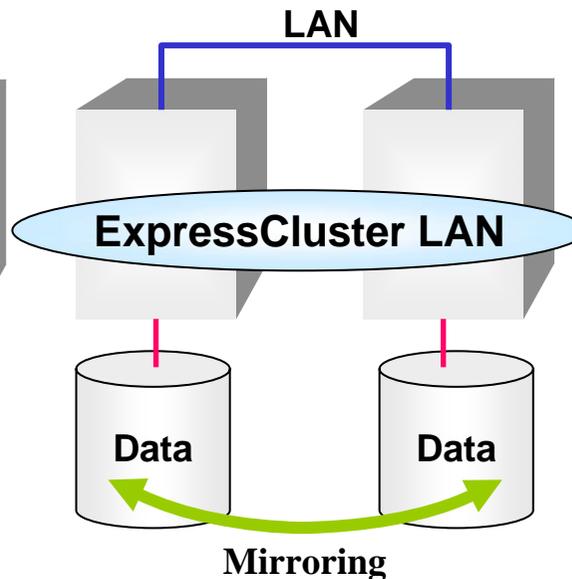

ExpressCluster Product Line

ExpressCluster SAN

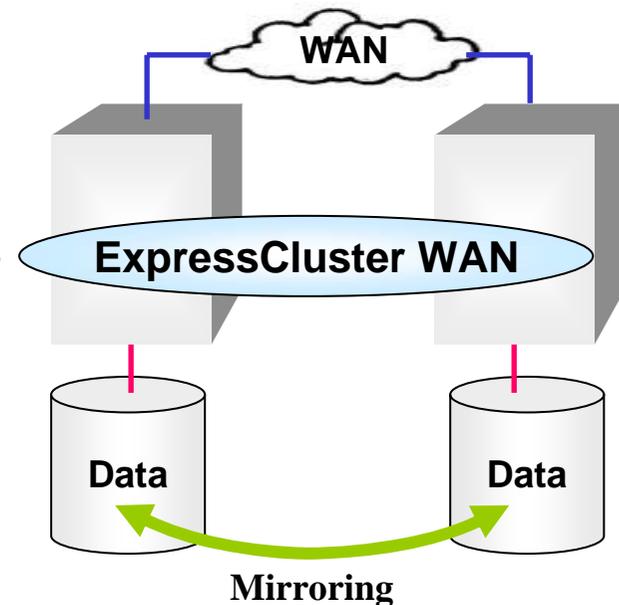

- **LAN Shared-Disk Cluster**
 - Data on shared storage
 - JBOD/SAN/NAS
 - Large cluster support

ExpressCluster LAN

- **LAN Mirrored-Disk Cluster**
 - No shared disk data
 - RAID1 via LAN
 - Low cost

ExpressCluster WAN

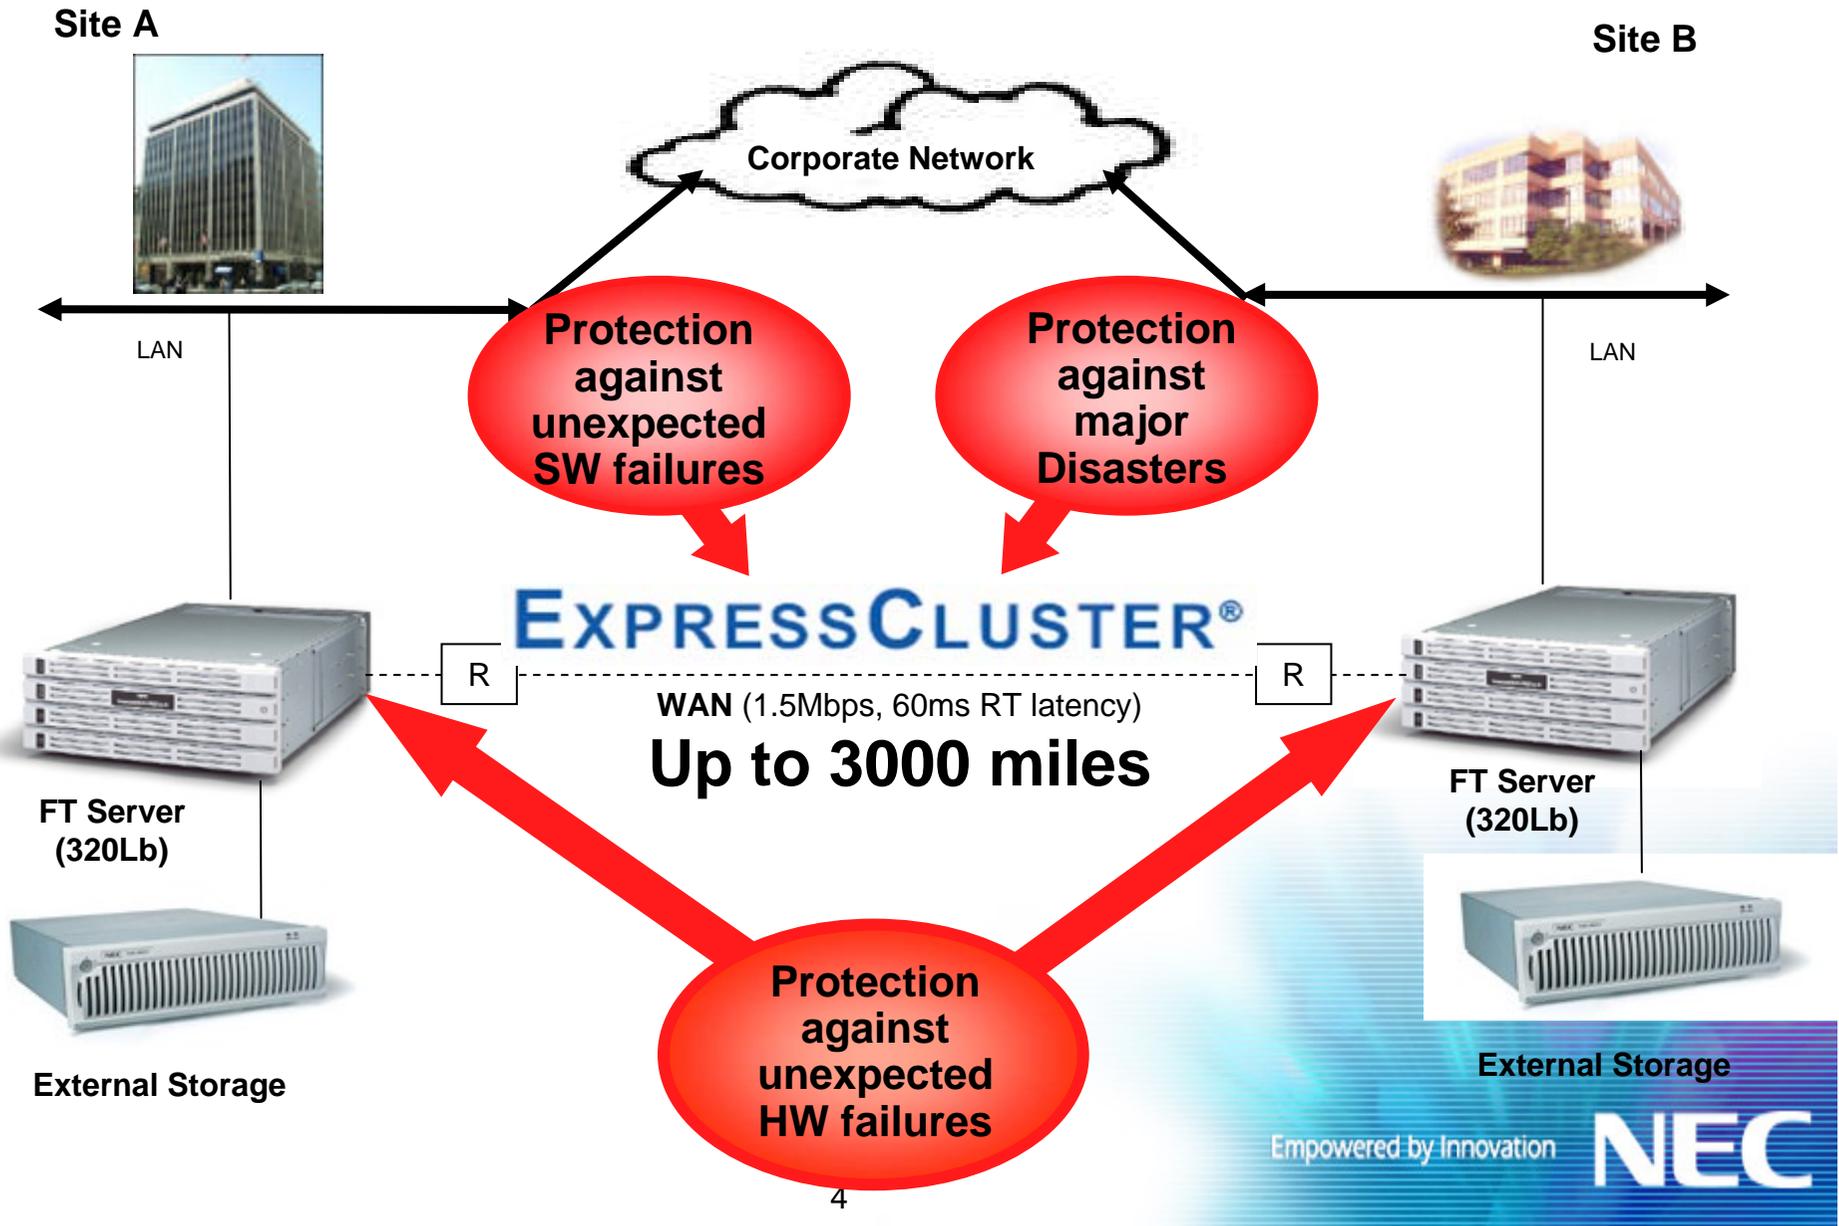

- **WAN Mirrored-Disk Cluster**
 - Disaster Recovery
 - Tx Data Integrity
 - Low bandwidth and long distance WAN support

Empowered by Innovation

NEC

Geographic Disaster Recovery Solution

Silver Bullets

- **Minutes for Disaster Recovery**
- **Integrated application failover and data mirroring**
- **Guaranteed transaction data integrity**
- **Greater geographical distance support**
- **99.999% hardware availability**

EXPRESSCLUSTER®

The Ultimate Application And Data Recovery Solution

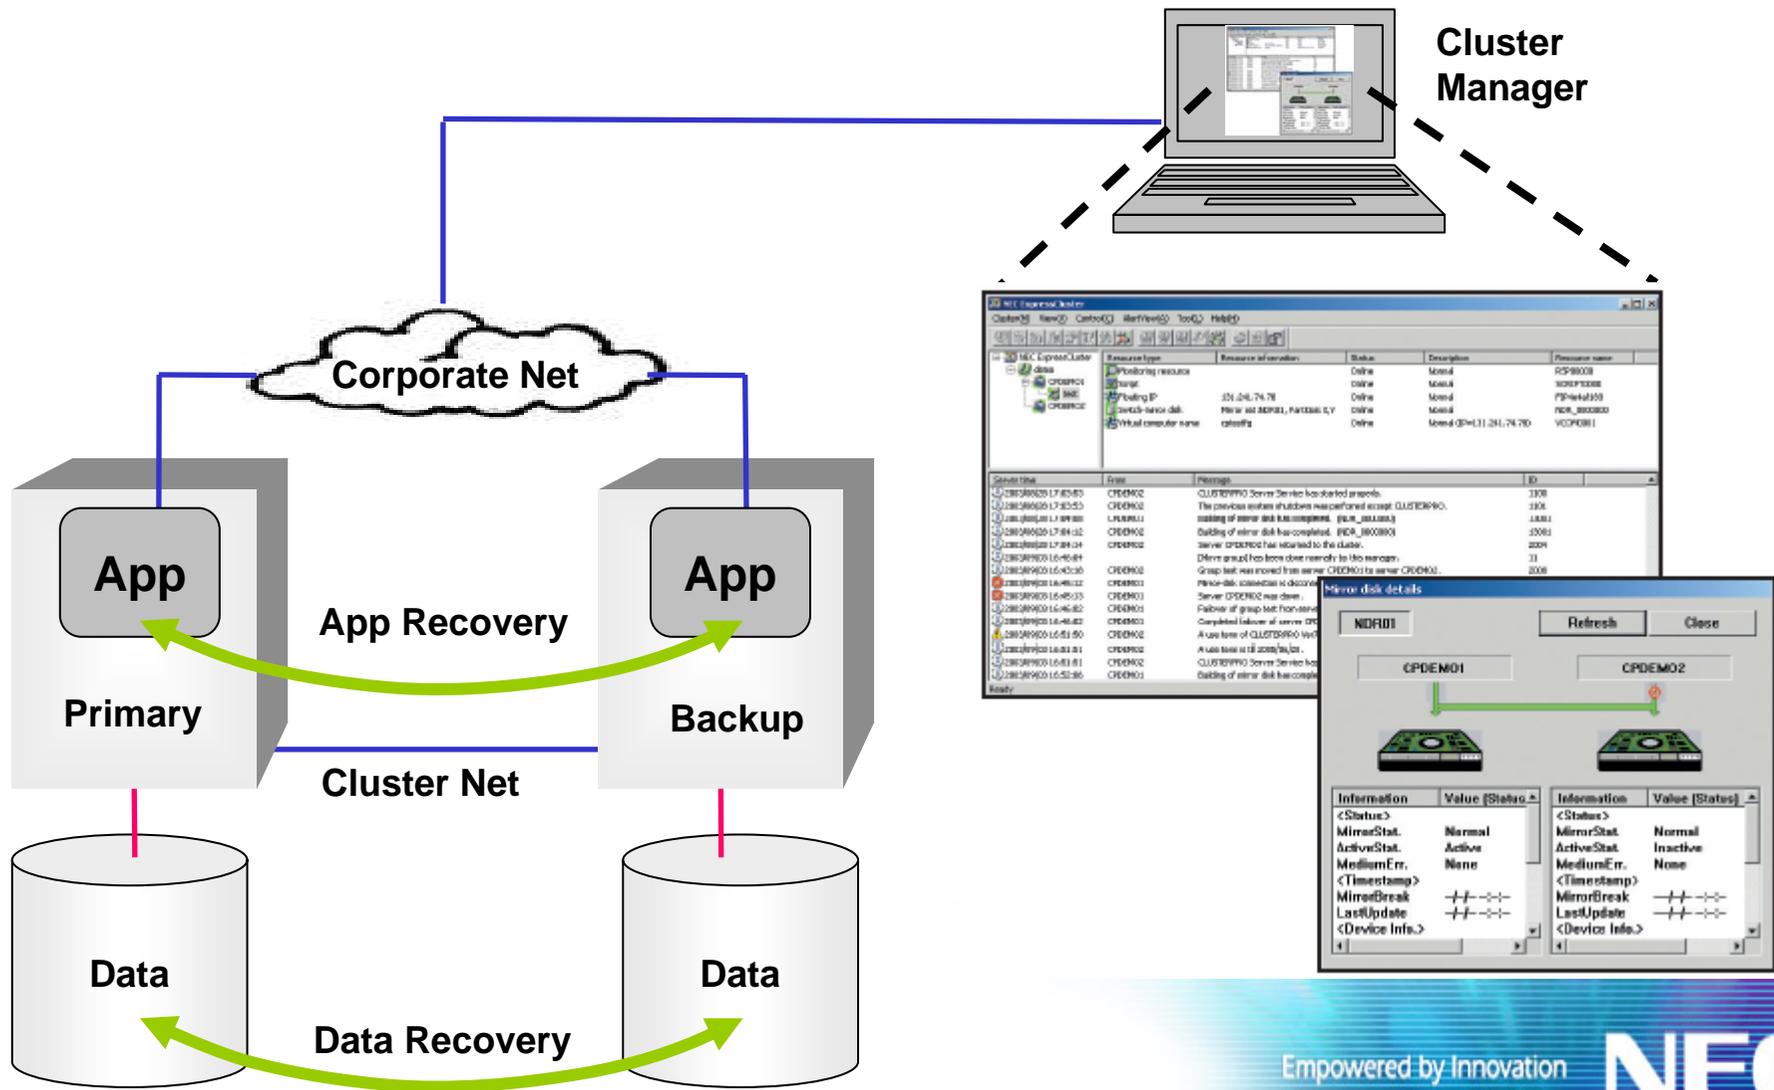

5

Empowered by Innovation

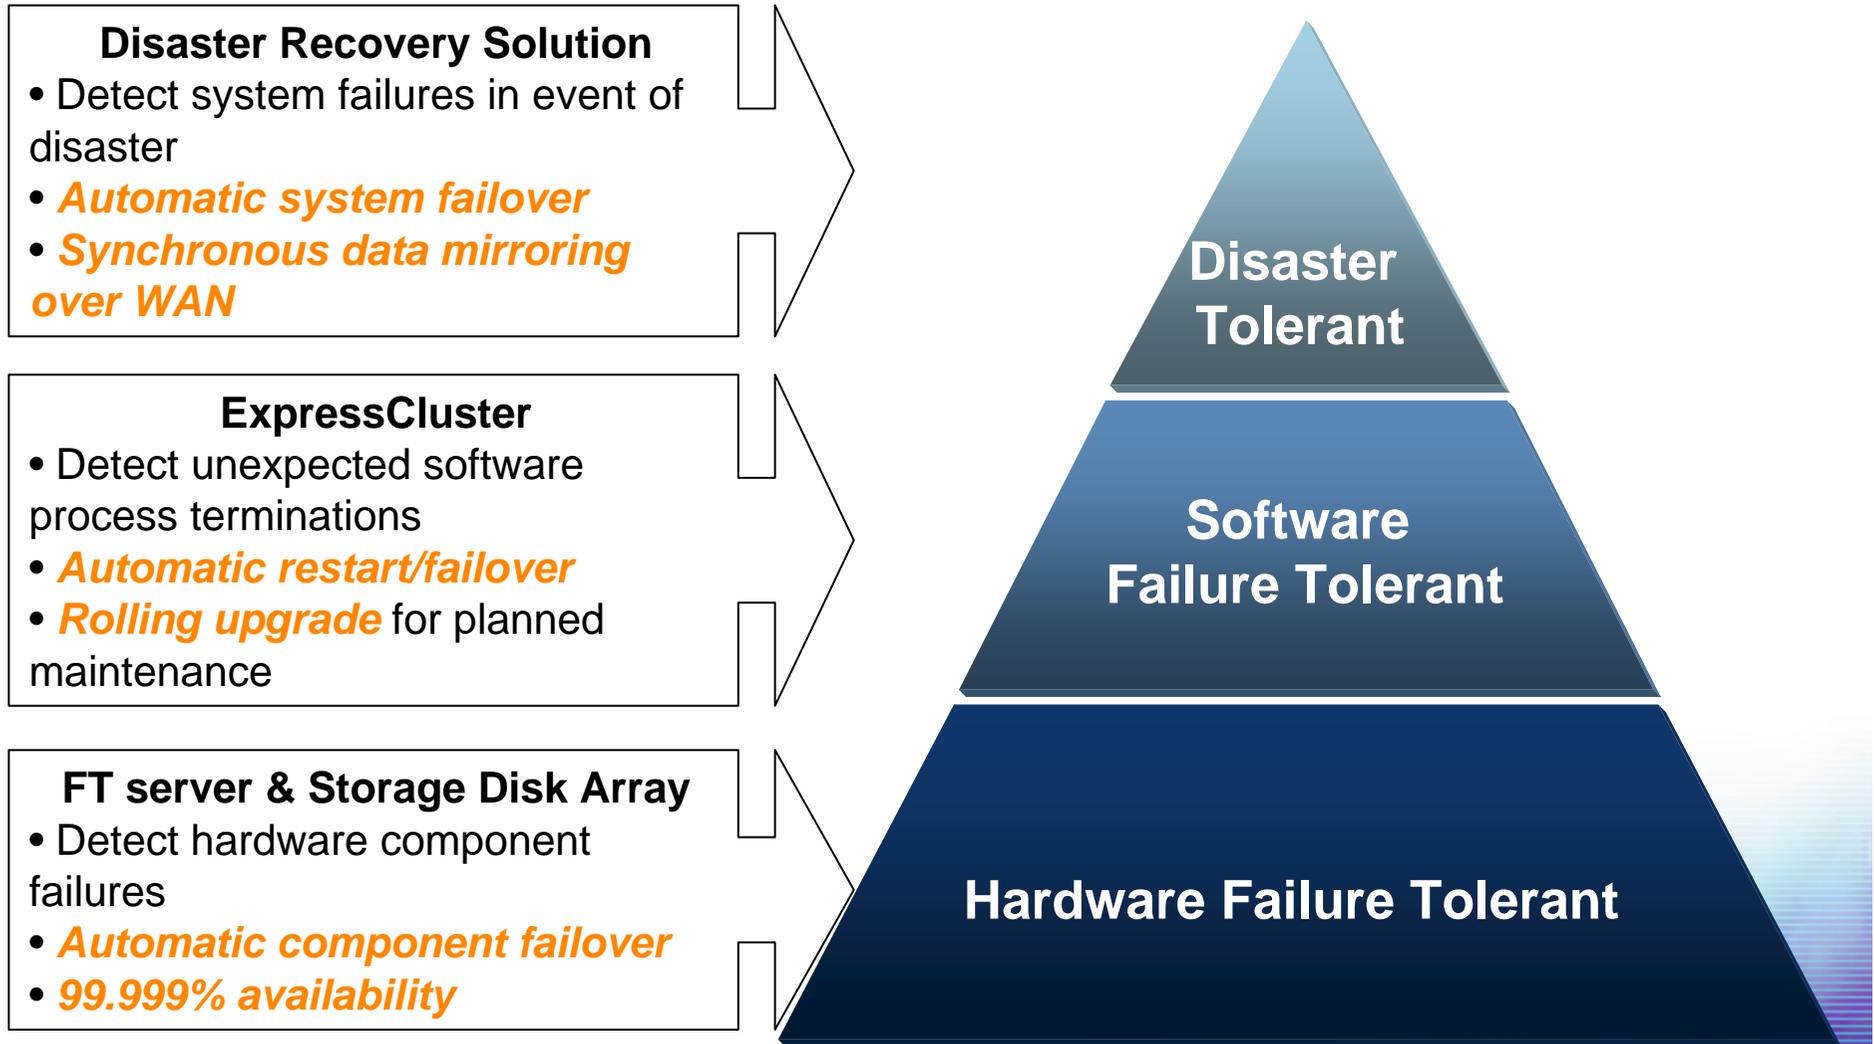

NEC

Integrated Application and Data Recovery

ExpressCluster eliminates app/data recovery integration
